17 December 1982

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director for Central Intelligence

FROM: R. E. Hineman
Deputy Director for Science and Technology

SUBJECT: DDS&T Weekly Activities Report for 17 December

Of Special Interest This Week

25X1

o The American Embassy in Moscow is taking special interest in FBIS monitoring of Soviet video broadcasts. On several occasions, most recently 11 December, the Embassy asked FBIS to process certain programs of unusual interest. The Embassy is also alerting FBIS to upcoming documentaries of special interest.

o  requested that FBIS provide Secretary Schultz's party with reports on the French Foreign Minister's speech of 6 December to the Anglo-American press club in Paris. FBIS bureaus supplied the materials, dealing with NATO and French defense policies.

25X1

o FBIS has held discussions with the Secret Service on ways FBIS can provide information concerning areas where the President plans to visit. One option would be to set up a printer within the Secret Service for receiving appropriate FBIS material.

o Equipment to automate the FBIS Daily Report has now been installed in Key Building. The contracators are now testing the system in place. A few weeks of training for editors and operators are still needed before inauguration of the system.
